

DEVERON DISTRICT AGE CONCERN SMALL GRANT FORM

Deveron District Age Concern provides Community small grants for charitable purposes to the relief of organisations or groups in need by reason of age, ill-health, disability, financial hardship or other disadvantage

We're a charity that gives grants to local groups that need a hand, mostly covering the AB44 and AB45 postcode areas. You don't have to be a registered charity or have a formal Constitution, but you do need to show you're not running for profit, a community organisation and have a bank account.

We don't fund day-to-day running, operational costs but we're happy to support one-off things to community organisations— like helping with a special occasions/party or similar community activities.
